FUNDAMENTALS *of* MINERAL FOUNDATION

Savvy Minerals by Young Living™ makes it easy to fall in love with your foundation application. Get radiant, flawless-looking skin with just a few swirls of the brush!

Directions

1. First, apply ART® Renewal Serum and ART® Light Moisturizer to prep your face for application. Sprinkle the desired amount of Mineral Foundation into the jar lid and grab your foundation brush. Swirl the brush in the lid to collect the powder and lightly tap the brush handle to dust off any excess. Using circular motions, blend the powder into your skin, repeating to build coverage. For concentrated, flawless coverage, mist your brush 2–3 times with Savvy Minerals Misting Spray before swirling it in the powder.

3. Blush: cheeks
4. Eyeshadow: base (Best Kept Secret), then eyeliner, then crease, then top eyeshadow
5. Mascara
6. Lipstick/Lipgloss
