3. At 4th traffic light make right turn onto Lydecker St
4. At the 2nd stop sign make a sharp left turn (this is a 5 way intersection—make a sharp left) onto Glenwood Rd

You will be driving down a long, curvy hill. As you pull out of the curve at the bottom of the hill a white picket fence will be on your right. Across the street, on your left will be:

Once you see the house, you will have passed the driveway. You are welcome to park in the driveway or on the street. Enter via the front door.
