

## Love It? Share It! with 10 Percent Off Premium Starter Kits

February is all about passion, making it the perfect time to share your passion for Young Living with family and friends. Throughout February, not only can you take 10 percent off all Premium Starter Kits\* during our Love it? Share it! promotion, but you can also post your Starter Kit selfies to win big!

To show our members how much we love them, we're giving away two free Premium Oil Collections every Friday throughout February. Here's how to participate:

- Take a selfie with your Young Living Premium Starter Kit.
- Post your selfie on Instagram.
- In your caption, tell us what you love about the Starter Kit, use #loveitshareit and tag @younglivingeo

We are excited to see your selfies!

*\*Excludes the Premium Starter Kit with the Rainstone Diffuser.*
