

Essential Oil Therapies

The hot summer sun giving way to the crisp fall air of autumn means only one thing: It's time to send your kids back to school. After loading them up with new clothes and school supplies, don't forget to prepare your kids for what they really face heading back to the classroom—germs!

Expert hygiene can be a key contributor to keeping your kids healthy amidst all those runny noses. Young Living, the industry leader in essential oils, knows this and has created a line of products specifically with our children in mind. KidScents® is a safe, essential-oils based hygiene line that keeps your kids clean, while providing them with the health benefits of essential oils. From shampoo to toothpaste, KidScents helps your little ones start their day off right.

KidScents Shampoo:

A safe, mild formula designed to provide the perfect pH balance for children's delicate skin.
