

Essential Oil Therapies

Young Living is concerned with much more than just your health. In addition to creating the highest quality essential oils on the market, a line of household cleaning products has been introduced in order to keep your home as clean as your body. With spring fastly approaching and ready to escort us into summer, time is running out to get your spring-cleaning all wrapped up.

Fortunately, with Young Living's line of Thieves household cleaning products you can enjoy the same level of protection around your house as those who earned this special oil its name. Imagine cleaning your countertops, bathroom surfaces and living areas with essential oil protection against the germs and bacteria that decide to overstay their welcome.

In addition to your kitchen and bathroom, Thieves Household Cleaner allows you to clean upholstery, fabric or carpet; this especially comes in handy when your beloved cat or dog leaves you a surprise on your favorite chair or behind the couch. For smaller jobs, Young Living also offers Thieves Spray and Thieves Wipes for door handles, toilet seats or any surface that needs a quick cleaning.

In order to keep your home in pristine condition with the help of essential oils, Young Living's line of Household Cleaners includes:

THIEVES HOUSEHOLD CLEANER - 14.4 FL OZ

The improved Thieves® Household Cleaner has increased cleansing power and an even safer, more sustainable formulation. The new formula contains ingredients from renewable plant and mineral sources, vegetable-based surfactants compliant with the Green Seal and EPA Design for Environment (DfE) standards, and even more Thieves and lemon essential oils for extra cleaning power.

THIEVES HOUSEHOLD CLEANER - 64 FL OZ

Experience the wonder of Thieves® Household Cleaner, as tough stains and problem areas in your home become simple and easy to clean without using harsh or abrasive chemicals. While bacteria can be dangerous, some industrial cleaners on the market pose an even larger threat to your health. Thieves Household Cleaner is a natural all-purpose concentrate that can be used in every room in your home, without the harsh chemicals. Dilute in a spray bottle or bucket, or use straight for extra strength.

Lemon Essential Oil

Lemon (Citrus limon) has a strong, purifying, citrus scent that is revitalizing and uplifting. Lemon consists of 68 percent dlimonene, a powerful antioxidant. It is delightfully refreshing in water and may be beneficial for the skin. Lemon may also be used to enhance the flavor of foods and for household cleaning.
