## Young Living Inspires "Attitude of Gratitude"

Thanksgiving is right around the corner and if you're like most people, you've probably been thinking a lot about what you're most grateful for. If you've experienced the incredible power of essential oils, it's likely that Young Living is at the top of your list.

*If you haven't yet discovered everything Young Living has to offer, check out the top 10 reasons so many people love it:*

1. Essential oils are natural compounds from plants that are proven to have beneficial effects on your body, mind and spirit.
2. Young Living is dedicated to ensuring that your essential oils are the most pure, highest quality products available on the market.
3. Essential oils are backed by history—they've been used for thousands of years for their health, cosmetic and emotionally uplifting properties.
4. Young Living is at the forefront of bringing this ancient tradition to modern users.
5. Aromatherapy can help you feel uplifted and replenished.
6. Using natural wellness solutions is safer and often more effective than using synthetic products.
7. You can feel replenished every day with the whole food-based nutrients, powerful antioxidants, and pure essential oils found in Young Living products.
8. The natural properties of essential oils make them a gentle and effective alternative to harsh chemical cleansers.
9. Incense and essential oils help participants to transcend the trivial and connect with something larger.
10. Young Living formulates targeted, essential oil-based wellness solutions that empower you to completely transform and improve your life.
