Opening Statement

"When we come to understand ourselves as part of a greater Whole, we become willing to sacrifice for the good of that Whole . . . we learn the joy of service; as we pour ourselves forth as part of the Universal, we truly come to understand that there is only One, no other."

~ The Law of Sacrifice

---	---

It has been some time since I have created a newsletter. Attending to many life changes—family and personal—has demanded much of my attention since I last

sent a team wide newsletter in April of this year. Much has happened in the Young Living universe since then. Due in part to a change in the way we share our products and income opportunity in order to remain compliant with FDA and FTC rules and regulations, Young Living's "unprecedented" growth plateaued, and our team growth hit a plateau along with it.

During the last month I shifted my focus and energy back towards Young Living and with that, Young Living as a whole experienced huge growth in October, and so did our team. The number of team members is approaching 13,000 and, along with the Scentual Connections team as a whole experiencing its largest volume month ever, many individual leaders experienced the same. We have new Executives, Silvers, Golds, with many of you poised to up your achievement level in the upcoming month.

I did notice, during this past summer of changes, that my income did not decline, even grew somewhat, indicating the promise of network marketing, the promise of true residual income, has been achieved. If it can be achieved for some of us, it can be achieved for all of us.

I also noticed that as soon as I, once again, fully merged my energy with the team's energy, and Young Living's, an immediate shift towards massive growth occurred.

I thank and congratulate you all for your great good efforts. By connecting with and expressing your unique gifts and talents, you are touching more and more people with what you, we, have to offer, making our world a far better place than before you began sharing Young Living . . .

I exhort you to continue to . . . Live Your Passion!!!

Promotions

Ring in the holiday season with one of the biggest and best promotions in Young Living history! We're celebrating the cooler temperatures and embracing our favorite time of year with generous rewards for everyone in your family. With your qualifying order, you can earn up to six free must-haves and member favorites: Nutmeg, Orange, Christmas Spirit, Frankincense, and Sacred Frankincense essential oils, plus Ortho Sport massage oil.

Nutmeg has a sweet, warm, spicy scent similar to the spice commonly used in cooking. Comforting and soothing, Nutmeg helps boost energy.

Orange essential oil offers a distinctly citrusy, pleasant flavor and aroma for foods, drinks, marinades, and desserts. Orange essential oil features the naturally occurring constituent limonene. This time of year I like to diffuse an Orange/Purification mis . . . it is in the diffuser as I am writing this.

Ortho Sport massage oil has a rich, cooling aroma and is designed for both professional and amateur athletes, as well as for anyone who works or plays hard.

Sacred Frankincense (*boswellia sacra*) has a rich, earthy aroma that helps to deepen spiritual connection. Regarded the world over as one of the rarest, most sought-after aromatics available, Sacred Frankincense is grown and distilled in Oman.

Frankincense (*boswellia carteri*) includes the naturally occurring constituent boswellic acid and has a woody, warm, balsamic aroma. Diffusing Frankincense during meditation supports grounding and purpose, while applying it topically may help smooth the appearance of healthy-looking skin.

Bonus Essential Rewards Exclusive: Christmas Spirit: is a sweet, spicy blend of Orange, Cinnamon, and Spruce essential oils that recalls the happiness, joy, and security associated with the holiday season. Keep Christmas Spirit on hand and diffuse it to infuse your home with the joy of the season.

Thanksgiving

"Gratitude can transform common days into thanksgivings, turn routine jobs into joy, and change ordinary opportunities into blessings."

~ William Arthur Ward

My gratitude for Young Living Essential Oils is beyond what can be adequately expressed in words. Young Living members, those of us in the field and corporate, have become my greater family. The bonds we share are deep and profound.

More than that, Young Living's products have brought me, my immediate family, and so many we have all touched, to an expanded state of physical, emotional, and spiritual well-being. That would be more than enough in itself, but on top of that, Young Living's income opportunity has blessed me with a way to support myself and my family without having to compromise who I am--I make a living by promoting health and well-being . . . and have the time freedom to do it, or anything else I want . . . what could be better than that?

Thanksgiving, because it is a celebration of gratitude, is my favorite holiday. Every Thanksgiving, around the dinner table, we read a Native American Prayer of Thanksgiving.

In The News

Young Living has become the largest direct selling company in North America and one of the largest worldwide. While this is a good thing, a number of "side-effects" have hitched a ride, so to speak, on the back of our growth:

1. Many products have been out of stock (OOS) for much of the year and, to keep products in stock, Young Living has reduced the bottle size in which many products are marketed from 15ml to 1ml and limited the number that can be purchased to 1 or 2 per member per month.
2. Increased FDA and FTC scrutiny have changed the way Young Living distributors are able to market Young Living products and promote Young Living's income opportunity.

Recognition

We are in all out momentum mode . . . record breaking growth for Young Living corporate and for our team is continuing into 2015. It is the concerted self-effort made by all of us that is making this happen. I thank each and every team leader,

along with wholesale and retail members, for all you have done and are doing. For Executive and above distributors, [Click Here](#) or on the picture below for a web page honoring your achievement.

Young Living distributors devote their lives to helping themselves and all those they touch reach their highest potential. I would like to honor our team leaders for their dedication to making our world a better place, one person at a time. It takes consistent self-effort to achieve what Young Living leaders have accomplished, and they deserve to be honored for their achievement. [Click Here](#) or on the picture for the September 2015 team leader list.

Those of you reaching Executive for the first time have the opportunity to win an Aroma Complete Kit with Case (\$2625 retail, \$1995 wholesale) as part of the Silver in Six opportunity. Follow the link for Silver in Six details: http://www.youngliving.com/en_US/opportunity/silver-in-six

Events

"Eighty percent of success is showing up."

~ Woody Allen

BE THERE
OR BE □

My current vision includes a team culture totally committed to attending events. But, for me to promote event attendance, the events I promote must offer much in the way of value. There are many to choose from, but the following are sure to be well worth the time and \$\$\$ it takes to attend.

2016 Young Living International Grand Convention: Live Your Passion (Salt Lake City, June 22 through 26, 2016)

The number one priority event for biz builders and product users alike is Young Living's annual International Grand Convention, taking place from Wednesday, June 22 through Saturday, June 25 . . . Early Bird registration is currently available. Note that like last year, the convention is sure to be sold out, and sold out soon. Reserve your spot by purchasing your ticket at the Early Bird registration price now.

[Click Here](#) or on the picture for details and to register.

Go Pro Recruiting Mastery Conference (Las Vegas, Dec 1 through 4, 2016)

Guest presenters will include Richard Branson and Anthony Robbins. If all the event included was an evening with Anthony Robbins, the value you receive would far exceed the cost of your ticket. But . . . Eric Worre himself has fully earned his title of network marketing guru du jour. His teachings, from mindset to how tos, are priceless gems of what it takes to succeed in our business. And . . . he knows how to put together an event that is fun, educational, and totally inspirational . . . you want to be at this event, and the cost of \$320 is a steal. This will sell out, and once my block of 100 tickets is gone (without even promoting it only 80 remain), there will be no more. As leaders, get your teams to step up. Those of you who have the most team members attending are the big winners. . . .

Essential Oil Therapies Webinar Training Series

Building on the injection of inspiration I received from attending the recent Go Pro Recruiting Mastery conference, I have decided to once again host regular webinars. [Click Here](#) or on the [Income Opportunity Now](#) pic to visit the Essential Oil Therapies webinar page for announcements of

upcoming webinars and to watch or listen to previously recorded webinars.

The next scheduled webinar to take place Friday, November 6 at 4:00pm Eastern Time. Click on the pic of me to attend.

This is a golden era for Young Living's product users and distributors. We have more educational opportunities than ever before. The tools are there; it's up to you to pick them up and use them. Read on for a very partial list of what is available . . .

The Young Living Fast Track team hosts a weekly conference call. If you have an interest, or think you might have an interest, in Young Living's income opportunity, these calls are for you.

Young Living corporate, and Independent Distributors, offer much in the way of classes, workshops, introductory meetings, and more. Visit the Young Living events page for events in your area: <http://www.youngliving.com/events/> and https://www.youngliving.com/en_US/company/events

Social Media

If any of you feel called to share the benefits you are experiencing by using Young Living products, now's the time! The energy, right now, is with this company . . . when one taps into existing energy, any and all actions one takes have the potential to achieve . . . a lot. To help our team grow and expand, a team facebook group has been created—[Scentual Connections](#) . . . it is our primary forum, worldwide, for coming together on an ongoing, daily basis. If you are already a member, [Click Here](#) to access the group, if not, friend me so that I can add you. If you are already a member, you can add your team members (they must be your Facebook friend).

[Scentual Connections](#), our team's Facebook page, continues to offer:

1. Weekly drawings for Young Living products.
2. Month long raffles for full kit prizes.
3. Special holiday and milestone giveaways.

To qualify for these, you must be a member of [Scentual Connections](#). This page is a useful tool for Young Living product, business, event information and much, much more, including special promotions such as the ones detailed above. If you are not yet a member of [Scentual Connections](#), be sure to join, as Facebook has become the communication vehicle of choice for Young Living related information. Once

you are a member of FB you can friend me and Facebook message me to add you to [Scentual Connections](#).

You are also encouraged to join our upline leaders' (Gailann Greene & Jeffrey Lewis) team Facebook Page entitled [Full Spectrum Healing Success Team](#). I will be glad to add you, or you can ask Gailann or Jeffrey if you are their FB friends.

If your intent is to plug into Young Living's energy, Facebook is a must . . . Young Living has been utilizing social media, Facebook in particular, as a vehicle for communication. Independent Distributors and Young Living Corporate often announce promotions, conference calls events, contests, and more on Facebook. Email is being used less and less as a primary vehicle for communication. These days, if your intent is to be plugged into the Young Living community, Facebook membership is a must. Be sure to check out the corporate Young Living Essential Oils page—this is where promotions, contests, and other valuable information can be found. Also, in addition to Facebook groups such as YL Power Team Wellness Support, Young Living Essential Oils—Tips and Testimonials, YL Animal Aromatherapy, and more, you can tap the wisdom of the greater Young Living community by joining the Pine Hill group at <https://groups.yahoo.com/neo/groups/PineHillGroup/info> and Essential Oil Testimonials at <http://www.oil-testimonials.com/290271> . . . another excellent resource is <http://ylsearch.com/>

Book of the Month

The author of *Conscious Contentment* is a close friend who, as my upline, helped usher me into Young Living Essential Oils, providing me with early training when I first became a YL member. This book is well worth the read. Chapter 4 is devoted to the use of Essential Oils in the context of bringing us into a state of Conscious Contentment.

Peace,
James
