ART Day Activator - 1 fl oz

An extraordinary day cream, the A·R·T Day Activator contains the superior Photolyase enzyme that uses visible light on damaged DNA. This light-bodied, water-based face and neck cream absorbs quickly and is perfect for wearing underneath makeup and sunscreen.

How to use:

Apply in the morning after cleansing. Using fingertips, massage a generous amount (usually two to four pumps) of Day Activator over face and neck regions as needed. Suitable for all skin types. For maximum benefit, Day Activator should be used with Young Living's Gentle Foaming Cleanser, Night Reconstructor Cream, and Essential Beauty Serum. Day Activator should be reapplied after prolonged sun exposure.

Ingredients:

Deionized Water, Pentylene Glycol, Glycerin, Glyceryl Stearate, Betaine, Cetearyl Alcohol, Caprylic/Capric Triglycerides, Lycium Barbarum† Seed Oil, Meadowfoam Seed Oil And Shea Butter, Aloe Barbadosensis Leaf Juice, Phenoxyethanol, Chlorphenesin, Xanthan Gum, Sodium Stearoyl Lactylate, Carbomer, Tetrahexyldecyl Ascorbate, Tocopheryl Acetate, Polysorbate 20, Squalane, Dimethicone, Benzoic Acid, Dipotassium Glycyrrhizinate, Sodium Hyaluronate, Camellia Oleifera Extract, Chamomilla Recutita† (Matricaria) Flower Oil, Retinyl Palmitate, Sodium PCA, Chlorella Vulgaris Extract, Algae Extract and Mugwort (Artemisia Vulgaris) Extract, Plankton Extract, Micrococcus Lysate, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-3, Lecithin, Grape (Vitis Vinifera) Seed Extract, Santalum Album† (Sandalwood) Oil, and Boswellia Carteri† (Frankincense) Oil.

†100% pure essential oil

A•R•T® Day Activator

A•R•T Day Activator Item No. 5170

A•R•T Skin Care System Item No. 3131

(Includes Day Activator, Night Reconstructor, and Gentle Foaming Cleanser)

Body System Supported: Skin

Young Living's new Age Refining Technology (A•R•T) Day Activator contains the powerful photolyase enzyme that uses light to renew damaged DNA. As little as thirty minutes of moderate light provides a significant amount of energy for the enzyme and has been shown to restore up to 60 percent more DNA damage than untreated human cells. Combine the skin revitalizing power of essential oils with a proprietary Anti-Aging Peptide Complex to reduce the look of fine lines and wrinkles, diminish age spots, even skin tone, and increase the elasticity and density of your skin. This light-bodied, water-based face and neck cream absorbs quickly and is perfect for wearing underneath makeup or sunscreen.

Ingredients

Deionized water, plant-derived pentylene glycol for moisture retention, plant-based glycerine and glyceryl stearate to moisturize and stabilize the formula, betaine from sugar beets to increase the moisture capacity of the skin, cetearyl alcohol (made by combining fatty alcohols derived from vegetable sources) as an emollient, Lycium barbarum seed oil (adding the nourishing properties of Ningxia wolfberries), a plant-based, light-activated enzyme complex containing photolyase, meadowfoam seed oil and shea butter (mois-

turizers), vitamins A, C, and E for antioxidant protection, and the unparalleled skin support and nourishment of the essential oils of frankincense (*Boswellia carteri*) and sandalwood (*Santalum album*).

How to Use

Apply in the morning after cleansing. Using fingertips, massage a generous amount (usually two to four pumps) of Day Activator over face and neck regions as needed. Suitable for all skin types. For maximum benefit, Day Activator should be used with Young Living's Gentle Foaming Cleanser and Night Reconstructor Cream. Day Activator should be reapplied after prolonged sun exposure.

Important Information

Now you can look as young as you feel! Too much sun can cause skin damage including fine lines, wrinkles and age spots. Using the innovative photolyase enzyme, Day Activator enhances your body's ability to restore DNA and reduce damage in the future. An exclusive Anti-Aging Peptide Complex, featuring Matrixyl™ 3000 and vitamin C, reduces the look of fine lines and wrinkles by improving elasticity and increasing the thickness of the skin. Add the power of the legendary wolfberry seed oil, known for its skin hydrating properties, and you have the formula for a truly unique and effective day cream. This light-activated formula also delivers a proprietary blend of pure essential oils to help sustain DNA recovery while providing a natural, light, refreshing fragrance. Make Day Activator part of your skincare routine and help yourself to ageless beauty.
