

COOL AZUL

Cool Azul® is a proprietary essential oil blend that combines Young Living-exclusives Dorado Azul and Plectranthus Oregano, as well as Peppermint, Wintergreen, Sage, Copaiba, Blue Cypress, and other fresh-smelling oils. Apply this blend topically before, during, and after physical activities to enjoy its uniquely cooling sensation.

COOL AZUL® ESSENTIAL OIL BLEND

Especially perfect for massage, this therapeutic-grade essential oil blend can be used alone when high potency is desired or can be used alongside other oils to add a targeted cooling blast where you need it most.

COOL AZUL® SPORTS GEL

After a visit to the gym or an afternoon on the go, reach for Cool Azul Sports Gel, our unique, aloe-based formula that absorbs quickly and delivers a welcome chill that your muscles will thank you for.

COOL AZUL® PAIN RELIEF CREAM

Cool Azul Pain Relief Cream provides cooling relief from minor muscle and joint aches, arthritis, strains, bruises, and sprains. Our plant-based formula combines the power of Wintergreen essential oil with Cool Azul essential oil blend.
