

Product Summary

Detoxzyme is a vegetarian-based enzyme complex that combines cumin, anise, and fennel essential oils with fast-acting enzymes to help support a complete digestive process.* These important ingredients can aid in a detoxing and cleansing program which can lead to improved overall health.* This formulation also helps support absorption of sugars, starches, proteins, and fats while also unlocking the nutrient content of certain foods that contain high amounts of essential minerals.*

Primary Benefits

- + Promotes complete digestion*
- + Maintains a healthy internal environment*
- + Helps support nutrient absorption*
- + Unlocks essential minerals found in grains, nuts, seeds, and other foods*

Who Should Take Detoxzyme?

- + Those looking for a vegetarian option to support complete digestion
- + Those looking to cleanse internal systems and improve overall health

Suggested Use

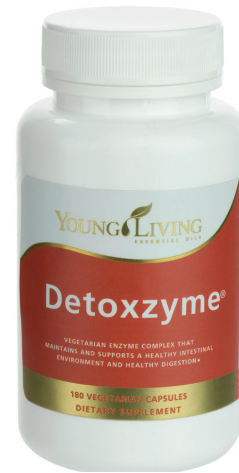

- + Take 1–2 capsules 3 times daily between meals or as needed.

Cautions

- + Keep out of reach of children.
- + If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
- + Do not expose to excessive heat or direct sunlight.

Did You Know?

- + Up to 90 percent of the magnesium, potassium, and zinc in foods like barley, cashews, walnuts, and rice is locked up by phytic acid and cannot be absorbed by the digestive system unless phytase is present.
- + Rice bran is rich in essential fatty acids and antioxidants that help support overall health.*
