

The breeze at dawn has secrets to tell you.

Don't go back to sleep.

You must ask for what you really want.

Don't go back to sleep.

People are going back and forth across the doorsill where the two worlds touch.

The door is round and open.

Don't go back to sleep.

~ Rumi

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?' Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."

~ Marianne Williamson

Fixed constants in your business that you cannot change

1. The company
2. The product
3. Your upline
4. The compensation plan

The difference between those who succeed in your company and those who don't is.
.. **You!**

Success is not found in convenience. Nothing worthwhile is ever easy. You will need to pay a price. You will either pay the price of hard work that begets success ... or you will refuse to make the sacrifice and pay the price of failure. Either way, a price

will be paid. It is best to pay the price up front temporarily, for a lifetime of happiness.

If you ever want to have time freedom, then you simply cannot afford to procrastinate. If not now ... when? If not this, what?
