

CBD MUSCLE RUB

> PRODUCT SUMMARY

When it comes to CBD products, quality is everything. That's why our Nature's Ultra Smart Spectrum CBD products are crafted with a combination of pure, potent CBD and Young Living essential oils!

Our CBD Muscle Rub is the perfect way to soothe your hard-working body. It takes the hot-and-cold sensation of menthol and gives it a boost by infusing it with an array of all-natural Young Living essential oils: Camphor, Clove, Helichrysum, Lemon, Peppermint, Tea Tree, Wintergreen, and more. These ingredients work together to soothe sore muscles, so it's perfect after a strenuous workout or when you're settling down at the end of a long day.

> KEY INGREDIENTS

Pure, potent CBD and Young Living essential oils, including Camphor, Clove, Helichrysum, Lemon, Peppermint, Tea Tree, and Wintergreen

> EXPERIENCE

CBD Muscle Rub can be applied topically to create a cooling sensation that can soothe your muscles. It has a bright, energizing aroma that will help you feel refreshed.

> PRODUCT BACKGROUND

Nature's Ultra CBD products are crafted using a blend of high-quality CBD isolate and Young Living essential oils. These world-class ingredients combine to form our very own Smart Spectrum CBD.

Our CBD Muscle Rub uses Young Living essential oils, including Camphor, Clove, Helichrysum, Lemon, Peppermint, Tea Tree, Wintergreen, and more. The combination of these oils and our CBD isolate is designed to help soothe your joints and muscles. Whether you're relaxing after a workout or settling down after a long day, you'll love the way CBD Muscle Rub makes you feel.
