Attention Young Living Distributors:

Can you picture NingXia Red on national TV? Can you imagine listening to NingXia Red programming on nationally syndicated radio?

As a YL distributor, you are in an exclusive position to experience just that!

- Establish the NingXia Red brand as the preferred, organic, antioxidant, energy drink
- Increase product brand identity and awareness
- Generate significant increase in product sales and leads via direct target marketing to the multi-cultural marketplace
- Develop partnerships with major media outlets
- Obtain direct access to over 23 million households, garnering a conservatively estimated response rate of 5% or 1,150,000
- Significant return opportunity on initial share(s) investment

You can do all of this while maximizing your NingXia Red volume potential!

Flawlessly designed, this unprecedented National Media Advertising campaign launch on November 13, 2005, is specifically geared towards making this vision a reality.

With national media saturation consisting of thirty-second spots, product placement, and half-hour programming, this ground floor opportunity is exclusively accessible to you as a Young Living distributor for a fee of \$255.00 per share!

Don't delay; get your shares today and spread the word to others. This opportunity is first come, first serve. Limit: Three shares per distributor.
